The Mount Macedon Primary School vision is to develop positive, independent, resilient and inquiring students who are ready for the future.

Dear Parent/Guardian,

Mount Macedon Primary School is looking forward to a great year of teaching and learning in 2024. We would like to advise you of our voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer in the past.

Within our school this support has allowed us to provide a wider offering of subjects and special curriculum experiences such as the International Baccalaureate Primary Years Program, enhanced digital learning opportunities and the upgrade of our buildings and grounds.

Please come and speak to me if you have any concerns about the fees.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Trish Hyland
